This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PASSED MARCH 26, 1867
AS AMENDED BY CHAP. 423, LAWS OF 1874
PASSED MAY 11, 1874

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Cornelius R. Agnew, Horatio Allen, James W. Beekman, Henry W. Bellows, Francis B. Cutting, John A. Dix, Wolcott Gibbs, John C. Green, George Griswold, David Hoadley, Murray Hoffman, William J. Hoppin, Charles King, Charles H. Marshall, Willard Parker, George T. Strong, Jonathan Sturges, Otis D. Swan, Moses Taylor, and such other persons as now are members of an Association in the city of New York called "The Union League Club," and such persons as hereafter shall become members of the corporation hereby created, are constituted a

body corporate, by the name of "The Union League Club," to be located in the city of New York, to promote, encourage, and sustain, by all proper means, absolute and unqualified loyalty to the Government of the United States; to discountenance and rebuke, by moral and social influences, all disloyalty to said Government, and every attempt against the integrity of the Nation; and, in furtherance of these objects, to establish and maintain a Library and a Gallery of Art and Military Trophies, especially devoted to the perpetuation and illustration of the patriotic services and sacrifices by which the existing struggle against rebellion has been characterized.

SEC. 2. Said corporation shall have power to make and adopt a constitution, by-laws, rules, and regulations for the admission, suspension, and expulsion of its members, and their government, the collection of fees and dues, the number and election of its officers, and to define their duties, and for the safe-keeping of its property, and from time to time to alter, modify, or change such constitution, by-laws, rules, and regulations. shall exceed fifteen hundred thousand dollars; and the said corporation may issue bonds and may execute mortgages upon their real estate to an amount not exceeding the value of such real estate and the improvements thereon.

SEC. 4. Said corporation shall possess the general powers, and be subject to the restrictions and liabilities described in the third title of the eighteenth chapter of the first part of the Revised Statutes.

SEC. 5. This act shall take effect immediately.

THE UNION LEAGUE CLUB

OF NEW YORK

ARTICLES OF ASSOCIATION

1. The condition of membership shall be absolute and unqualified loyalty to the Government of the United States, and unwavering support of its efforts for the suppression of the Rebellion.

2. The primary object of the Association shall be to discountenance and rebuke, by moral and social influences, all disloyalty to the Federal Government, and to that end the members will use every proper means in public and private.

3. We pledge ourselves, by every means in our power, collectively and individually, to resist to the uttermost every attempt against the territorial integrity of the nation.

ADDITIONAL ARTICLE OF ASSOCIATION, ADOPTED JANUARY 11, 1866

4. It shall be the duty of the Club to resist and expose corruption, and promote reform in our National, State, and Municipal affairs, and to elevate the ideal of American citizenship.

2. The Vice-Presidents shall be divided into three classes of four each. The annual election, to be held on the 14th day of January, 1892, shall be for twelve, who shall classify themselves by lot, four of whom to hold office for two years, and four to hold office for three years; and thereafter each annual election shall be for four to hold office for three years.

He shall turn over to the Finance Committee at the end of each year all surplus and unappropriated moneys which remain in his hands after payment in full of the disbursements and expenses of each year.

All appropriations of the funds of the Club, except as provided in the 16th By-Law, and all directions for the use of the Hall or Club-rooms for other than for Club purposes shall be made by the Executive Committee. It shall make all necessary purchases and contracts, but shall have no power to make the Club liable for any debt or debts to an amount exceeding one-half that which, at the time of contracting the same, shall be in the Treasurer's hands in cash, and not subject to prior liabilities, or which cannot in the opinion of the Committee be paid out of the income of the current year, and no expenditure exceeding one thousand dollars shall be made unless authorized at a meeting of the Committee by a two-thirds vote of the members present. The Executive Committee is divided into three classes of five members each, and hereafter each annual election shall be for five members of said Committee, to hold office three years, to supply the place of the class retiring each year, and for such additional number, if any, as may be necessary to fill vacancies, to hold office during the remainder of the terms of the members whose places they fill.

Finance Committee shall be elected only upon the nomination of the Executive Committee

The members of said Committee shall hold their offices until death, resignation, or removal for cause, and every vacancy occurring in the said Committee shall be filled by the Club, on the nomination of the Executive Committee, in the same manner and under the same restrictions as hereinbefore provided.

18. The annual meeting of the Club shall be held on the second Thursday of January, for the election of officers and the transaction of such other business as may come before it.

Annual meeting of the Club

The general meeting shall be held at half-past eight o'clock P. M., but the polls for the election shall be opened at half-past six o'clock P. M., and they shall remain open for three hours (*as amended February 14, 1918*).

At the monthly meeting in December in each year, a committee of seven shall be chosen by the Club at large, who shall select and post in a conspicuous place in the Club-house, at least ten days before the annual meeting, the name of a candidate for each office to be filled at the ensuing election. No member shall unite in the proposal of more than seven names for such Committee. The seven members upon such list receiving the highest number of votes shall be the Nominating Committee. At the same meeting six inspectors and canvassers of the ensuing election shall be elected in such manner as shall then be determined, any three of whom shall be a quorum, and if vacancies shall occur, they may be filled at or before the election by the Executive Committee.

Cushing's Manual shall govern meetings of Club

The rules and orders of Cushing's Manual shall govern the meetings of the Club, so far as they are applicable and not inconsistent with these By-Laws.

One hundred members shall be a quorum at all meetings of the Club.

Any twenty-five members may unite in making independent nominations for any offices to be filled at the annual election of the Club; such nominations shall be in writing and posted by the Secretary at least five days before the annual meeting (*as amended November 12, 1914*).

19. There shall be a monthly meeting for the election of members and the transaction of business on the second Thursday of every month, except July and August, at half-past eight o'clock P. M. (*as amended February 14, 1918*).

20. Special meetings of the Club may be called

Special meetings may be called

at any time by order of the President, with the approval of three members of the Executive Committee, and shall be called by the Secretary whenever the President or any Vice-President shall be thereunto requested in writing by twenty-five members, setting forth the purpose of such meeting. At any such special meeting no business, other than that specified in the call, shall be considered, except by unanimous consent.

21. At the meetings of the Club the order of business, so far as the character and the nature of the meetings may admit, shall be as follows:

1. Reading the minutes of the last meeting.
2. Election of new members.
3. Reports of Standing Committees.
4. Reports of Special Committees.
5. General business.

But this order of business may be changed by a majority of the meeting.

All special committees for any purpose shall be appointed by the presiding officer, unless otherwise ordered.

Action on resolution when objected to

Whenever any resolution or action shall be proposed or pending in the Club, which calls for the expression of its opinion touching any public matter, if the same be objected to by any member, and such objection be seconded, it shall at once be the duty of the presiding officer to state the objection, and to call upon those

who sustain the same to rise; and if twenty-five members shall rise in support of such objection, then such resolution, and subject to the proposed action, shall be referred to a Standing or Special Committee, who shall report thereon at the next meeting of the Club. And upon the coming in of such report, the same, and the resolutions, and the subject referred to, shall be deemed before the Club for discussion and action thereon, without further right of such objection.
